

Haze in the Soul

There is a '***Haze in the Soul of Nursing***'

Everything is out of focus.

We are like the world of creation, dark and chaotic until the Spirit of God moves and there is light.

Nurses need to see behind and into all things with spiritual perception.

We need Nurses who see

Nurses with courage

Nurses who can stand for Truth and justice in Nursing and in life.

Nurses who are looking by faith into the face of the Saviour.

Nurses who ask for and let the Mind of Christ dwell in them richly

Nurses who have the courage to ask God in Jesus Name to receive from Him a 'Vision in clear Focus'.

Nurses with courage that is divinely given.

Courage that comes from the source of genuine 'quietness and confidence', and that provides and becomes his or her strength to overcome.

Every Nurse who really wants it can have the Haze in his or her soul removed.

The LORD Jesus Christ came into this world for the express purpose of removing the haze that befuddles and befogs the mind and emotions thus preventing creative solutions to the many compounding problems in Nursing.

"The Lord opens the eyes of the blind; The LORD raises those who are bowed down" Psalm 146:8

Be Thou My Vision

*Be Thou my vision,
O Lord of my heart,
Naught be all else to me,
Save that Thou art
Thou my best thought,
By day and by night,
Waking or sleeping,
Thy presence my light.*

*Be Thou my wisdom,
And Thou my true word;
I ever with Thee,
And Thou with me Lord,
Thou my great Father,
I Thy true son;
Thou in me dwelling,
And I with Thee one.*

*Be Thou my battle-shield,
Sword for the fight,
Be Thou my dignity,
Thou my delight
Thou my soul's shelter,
Thou my high tower
Raise Thou me heaven ward
Oh Power of all power.*

*Riches I heed not,
Nor man's empty praise,
Thou mine inheritance,
Now and always
Thou and Thou only
First in my heart.
High King of Heaven,
My Treasure Thou art.*

*High King of Heaven,
My victory won,
May I reach heaven's joys,
Oh bright heaven's Sun!
Heart of my own heart,
Whatever befall,
Still be my vision
Oh Ruler of all.*
