**GOD GIVE US "DRIVE"**

**BUT KEEP US FROM "BEING DRIVEN".**

*There's a difference between "drive and "driven" –  
The one is selfish and the other God-given -  
For the "driven man" has just one goal,  
Just worldly wealth and not "riches of souls,"  
And daily he's spurred on to reach and attain  
A higher position, more profit and gain,  
Ambition and wealth becomes his great need  
As daily he's "driven" by avarice and greed...  
But most blessed are they who use their "drive"  
To work with zeal so all men may survive  
For while they forfeit great personal gain  
Their work and their zeal are never in vain...  
For they contribute to the whole of the human race  
And we cannot survive without growing in grace,  
So help us, dear God, to choose between  
The "driving force" that rules our routine  
So we may make our purpose and goal  
Not power and wealth but growth of our soul...  
And give us strength and drive and desire  
To raise our standards and ethics higher  
So all of Us and not just a few  
May live on earth... As You want Us to*

RIGHTEOUSNESS AND PEACE AND JOY IN THE HOLY SPIRIT."**
