

“Harmony in Action”

Celebration Concert

Saturday 6th September 2008

7.00pm

Pukekohe Town Hall

The Nursing With A Difference Trust invites peoples of all ages, to a unique **celebration of harmony** through the richness of ethnicity, music and singing brought to you by nurses from Samoa, Tonga and Fiji, with special items by Soloist Ann Davy accompanied by Myra Smith; pianist Bill Bryan; and the Korean Shalom Women’s Choir directed by Deborah Jang.

Instead of admission fees, a donation will be received during the evening, as we believe that true appreciation is linked to a generous heart which supports a worthy cause. All donations will be used to inspire and promote excellence in nursing through our radio programs.
